#BanggaJadiODPBankMandiri

How BranchX Support Business?

- 1 Understand & experience Bank Mandiri's core business, how we orchestrated between business, risk & operation to serve customer with best product and solution.
- 2 Develop analytical skill and curiosity in order to giving maximum contribution to the branch at earlier career (e.g: mapping product/services vs surrounding competitor)
- 3 Enhance leadership/soft skill in term of managing people, build empathy, customer & relationship building.

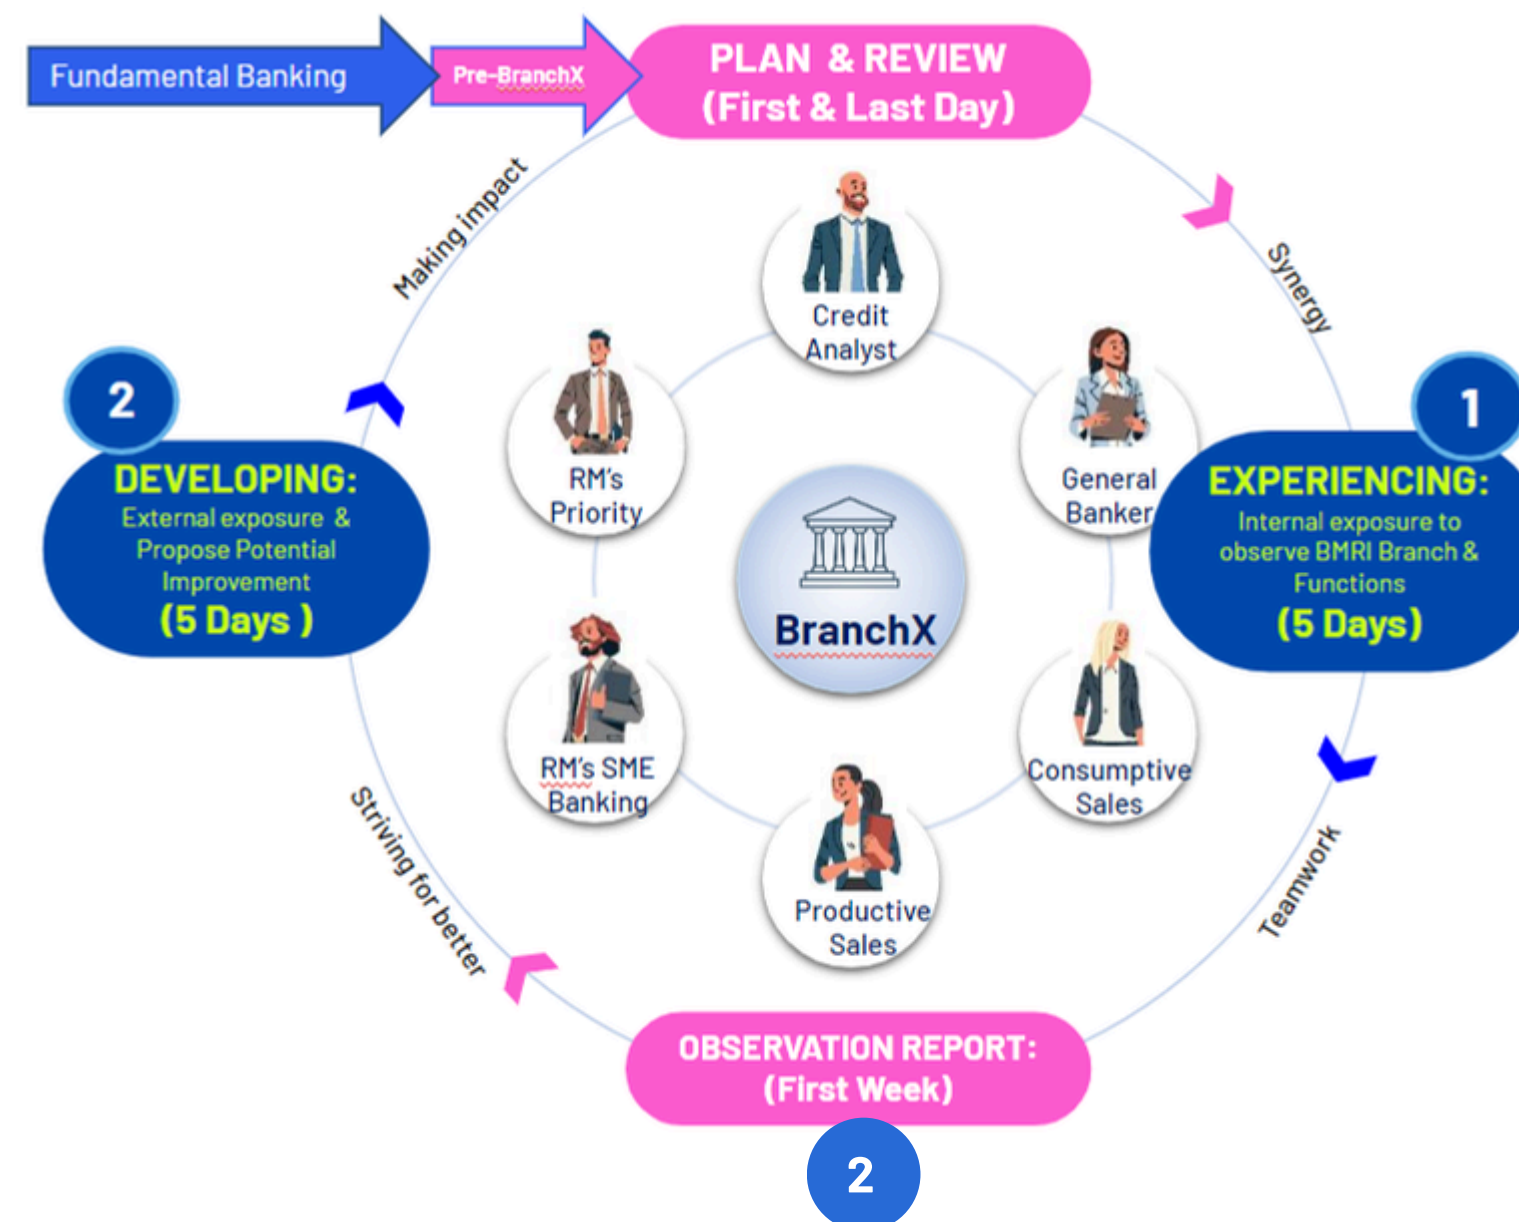

BranchX Program

Program Design: illustration on How it Works (10 working days)

Terdapat 3 misi utama yang harus dijalani peserta ODP (team mate bersama bestie) yang disesuaikan dengan mapping SWOT cabang yaitu:

1. **Eperiencing Bank Mandiri's branch**, memahami & menganalisa potensi cabang.
2. **Melakukan fungsi kontrol sebagai Pimpin**: memimpin morning briefing, menyusun strategi & mereview produktivitas/output.
3. **Merekomendasikan potensi** yang dapat di enhance, berdasarkan observasi internal & external.

Ketiganya dilakukan dengan objective untuk memberikan dampak langsung ke perbaikan di cabang yang ditempati.

Untuk mendapatkan pengalaman yang holistic, peserta ODP disupervisi oleh Area Head, dan didampingi oleh Branch Manager, BSM, dan BOM dalam menjalankan kedua misi.

Output:

1. Activity Plan
2. 1st & 2nd Report
3. Pulse Check by Supervisor & ODP

Team-mate with ODP's bestie
(2-3 peserta/group/cabang)
